

# “Statement of Capabilities”

## CRADDOCK CONSTRUCTION

### ABOUT US

Craddock Construction is a Louisiana-based, minority-owned small business specializing in affordable-luxury housing, residential development, and government contracting. Leveraging over two decades of leadership and project management experience, our focus is on delivering high-quality, cost-conscious projects that create value for families and communities.

We bring the same integrity and accountability proven in consulting, community initiatives, and government compliance to every construction project, ensuring clients receive professional, contract-ready solutions built on efficiency, quality, and long-term impact.

### “Work Performance History”

- **Residential & Commercial Projects (2004–2025)** – Supported planning and execution of small-scale renovations and property improvements, ensuring on-time delivery and adherence to budget.
- **Business Consulting Engagements** – Provided compliance-driven operational strategies for contractors and startups, strengthening readiness for government contracts.
- **Community Development Initiatives** – Coordinated logistics and scheduling for nonprofit and educational programs, aligning construction and outreach efforts to community needs.

### Differentiators

- **Affordable-Luxury Expertise** – Specializing in budget-conscious builds that combine modern design, efficiency, and long-term value for communities.
- **Government Contracting Knowledge** – Experienced in compliance, DBE-certified operations, and delivering solutions that meet federal, state, and local standards.
- **Scalable Capabilities** – Equipped to manage projects ranging from single-property developments to multi-unit construction and real estate ventures.
- **Community & Client Focused** – Dedicated to building lasting partnerships while creating pathways for generational wealth and neighborhood growth.
